A painting of a woman in a blue dress holding a red flower against a pink background. The style is expressive and somewhat abstract, with visible brushstrokes. The woman is depicted from the waist up, facing slightly to the left. She has dark hair and is wearing a long blue dress. She holds a large red flower in her right hand, which is raised towards her face. Her left hand is resting on her hip. The background is a solid, vibrant pink. The overall composition is simple and focuses on the figure and the color contrast.
